Creative Map Project

Context and objectives

South Gloucestershire Council has funding allocated to support and improve the High Streets/shopping areas in Filton. As part of this funding, we propose to develop a Creative Map entitled 'Celebrating Filton' to display in notice boards in these areas.

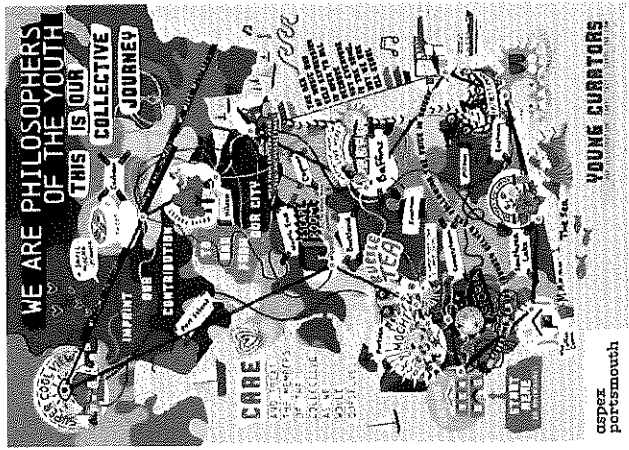

This would have the objectives of:

- Linking the High Streets/shopping areas together (predominately our designated High Street areas - Church Road, Gloucester Road North and the Shield Retail Centre – but we would also endeavour to incorporate Conygre Road and the bottom of Northville Road).
- Supporting the restoration of **civic pride** by celebrating what there is to offer in those areas and nearby, including heritage, community points and green spaces.
- Form part of a **'wayfinding strategy'** to help visitors navigate and residents explore the areas.
- Adding **art, colour and inspiration** to areas of deprivation and in need of regeneration.

Proposed Locations

We have identified Filton Town Council notice boards in the following areas and **are seeking the Council's permission to display the Creative Maps** (which would have the South Glos logo) in **these boards (at least one side of the board)**, on a long-term basis. We would pay for the artwork and printing, but would require your support in displaying them. We would aim to have this completed during the Summer holidays 2022, or earlier if possible.

We are seeking to display the Creative Map in the Filton Library notice board in the Shield Retail Centre.

Community Engagement

We have engaged with local traders and community groups (FACE Charity and Filton Community Gardens) and gained feedback on our proposal so far. We intend to engage further with schools and residents to gather information on the positive aspects of the area, with the intention to include quotes/words, fun facts and graphic images in the final design.

For example:

- *'I love the skate park!' – Lily, age 8*
- *Concorde – the world's first supersonic jet was designed and built in Filton, with a first flight in 1969.*
- *'I have lived here since 1979 and I like the fact I can walk to the shops' – Mrs K, resident.*
