Final External Auditor Report and Certificate 2024/25 in respect of Filton Town Council

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website - <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2024/25

On 28 September 2025, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2025. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The authority has answered 'Yes' to AGS Assertion 1. The internal auditor has highlighted several weaknesses where the authority has not complied with this Assertion. As a result of this the authority should have answered 'No' to Assertion 1 of the Annual Governance Statement.

In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to weaknesses in relation to the following:

B) This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.

L) The authority published the required information on a website/webpage up-to-date at the time of the internal audit in accordance with relevant legislation

Recommendations to address these weaknesses were provided by the internal auditor and it is recommended that the council implement these in a timely manner.

The authority has answered 'Yes' to AGS Assertion 5. The internal auditor has highlighted several weaknesses where the authority has not complied with this Assertion. As a result of this the authority should have answered 'No' to Assertion 5 of the Annual Governance Statement.

Other matters not affecting our opinion which we draw to the attention of the authority:

The AGAR was not accurately completed before submission for review:

- *The clerk did not sign the Annual Governance Statement*
- *The chair did not sign the Annual Governance Statement*
- *The RFO did not sign the Accounting Statements*
- *The chair did not sign the Accounting Statements*

The AGAR was returned for amendment and corrected.

The internal auditor has highlighted a number of weaknesses and raised a number of recommendations in their supplementary report to the smaller authority. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

To be in line with best practice we recommend that when minuting the appointment of the internal auditor, the council record they have considered the independence of the appointed auditor on an annual basis.

As per the guidance provided in the Practitioners Guide, we recommend that the level of earmarked and general reserves is reviewed on a regular basis (typically at least annually and as part of the budget setting process).

External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
