COMMUNITY ENGAGEMENT FORUM REPORT

Date 19/02/2026

Anti-social behaviour – The ASB issues continue in and around Elm park. The issues relate to the use of Electric bikes. These bikes have been seen in and around the area and ride off at speed on seeing police.

During the joint emergency service event local residents made us aware of exact locations of drug dealing in and around Elm Park, over the coming weeks local officers will be conducting patrols with plans on a targeted operation.

A Talk to Us Event was held at the leisure centre on the 23rd January and 17:30 on Friday 20th February.

We also attended the community partnership meeting hosted by Filton Town council, businesses in around Filton attended.

We attended an event at Elm Park on 18th February in partnership with Avon Fire and Rescue, we had a bike marking event and information relating to our current priorities which are burglaries and vehicle offences. Many children and their parents came and spoke to us, got into the police van and played with the sirens and the lights.

Lastly, we are attending Filton Town Councils new Monthly Markets, this will be on 21st February based at Elm Park.

In the last 28 days there has been an increase in violence against a person and criminal damage. There has been a reduction of vehicle offences, this month there was 5, compared to 9 the month prior.

Crime statistics for the month up until 19/02 there has been 110 reported crimes in the Filton Area. For the previous month there were 119.

Community engagement – A school talk was conducted at Filton Primary school, this was based on Knife Crime and the beat team took part in an emergency service day at Elm Park on 18/02.

The month's priorities:

- Inquisitive crime, this will involve extra patrols in the crime hotspot areas.**
- Anti- social behaviour and drug dealing in Elm Park, this will involve extra patrols, with the discussion of requesting police horses to attend, this will be discussed with the council to see if this is able to happen, and also a targeted operation.**
